Dear Dr _____

We have not received a revalidation recommendation

We need a recommendation about your revalidation by 09/05/2013.

We have not received a revalidation recommendation yet.

Your licence to practise is at risk

Your licence to practise is at risk if we do not receive a recommendation by 09/05/2013.

What you need to do

If you have a responsible officer or suitable person:

- *contact them immediately* and ask them to submit their recommendation about you to us by 09/05/2013.

If you do not have a responsible officer or suitable person:

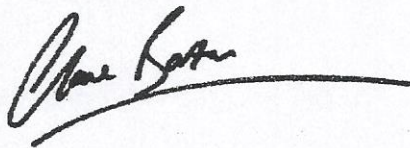

- *contact us immediately.*

Need more help?

You can find information about revalidation on our website at www.gmc-uk.org/revalidation/.

Please contact us if you have any questions. We will do our best to help.

Yours sincerely

**Clare Barton
Assistant Director
Revalidation**
